

**Procedure for preparing IEEE Xplore compliant final paper:**

1. Make all the required corrections according to the reviewers' comments + follow carefully the formatting instructions of the template.

2. Copyright notice is required by IEEE. Add the copyright notice to the footer of the first page of your paper  
978-1-4673-7376-0/15/ \$31.00 ©2015 IEEE  
Format: Times New Roman, font size 10pt, black, align to left.

(It differs when all authors in the paper are employed by the US government, by UK, Canada and Australia or by European Union. In this case write to [edpe@edpe.sk](mailto:edpe@edpe.sk) to get a special copyright notice.)

3. Add the following text to the header on all pages:  
2015 International Conference on Electrical Drives and Power Electronics (EDPE)  
Format: Times New Roman, font size 10pt, black, align to left.

Add the following text to the header on all pages:  
The High Tatras, 21-23 Sept. 2015  
Format: Times New Roman, font size 10pt, black, align to right.

4. You can see how your header and footer on the first page should look like [for authors with the same affiliation](#) and [for authors with different affiliations](#) here. You can also use our new [template](#) with header and footer already included.

5. The paper with footer and header as above must be checked for compatibility with IEEE Xplore® Digital Library using PDF eXpress tools. Use the page [http:// www.pdf-express.org/](http://www.pdf-express.org/). New users may have to create new account. For the EDPE 2015 conference use ID: **35273x**. Submit your paper and check it for compatibility. You should receive an email if your paper **passed or failed** PDF check. Follow the instructions on the PDF eXpress page and, if necessary, correct the paper and repeat until your paper has passed PDF check.

6. If your final paper has successfully passed the PDF eXpress check, upload it till the deadline **15 July 2015**:

- \* Login yourself to [www.edpe.sk](http://www.edpe.sk) with the same login you used to submit your first manuscript
- \* Click on *Your Accepted Papers*
- \* Select your accepted and reviewed paper
- \* Click *Upload PDF File into Existing Item*
- \* Select the checked PDF file (It must have passed the PDF eXpress check!)
- \* Click Upload

7. Download the [IEEE Copyright Form](#), fill in this form and sign it. Then scan it with scanner and send it to [edpe@edpe.sk](mailto:edpe@edpe.sk) with Subject *IDxxx Copyright Form* (where IDxxx is your paper ID).

**WARNINGS!**

- \* your paper will not be published without the signed IEEE Copyright Form
- \* do not send us paper which hasn't passed the PDF eXpress. It may cause that whole proceedings may not be included in IEEE Explore.
- \* if the paper is not presented by the author at the conference, it will be excluded from publishing in IEEE Xplore® Digital Library
